

**IN THE SPECIFICATION**

Please amend the title as follows:

~~--CONVERSION~~CONVERSION APPARATUS AND  
CONVERSION METHOD--

Please replace the paragraph [0006] with the following paragraph:

[0006] The MXF takes not only file exchange but also streaming into consideration and includes video data and audio data multiplexed in small units such as frames. The MXF is described, for example, in Bruce Devlin, Snell & Wilcox, G-FORS MXF document controller, "MXF information centre", [online], [searched on Sep. 19, 2002], Internet, <URL: <http://www.g-fors.com/mxf.htm>>.
